

INTERMEDIATE STAGE DRAWING

Name _____

I've learned how artists **measure** and I've practiced applying this to my own drawings.

I can do this!

Date completed: _____

I understand that the **drawing process** is making marks, evaluating them, correcting them if need be, then making more marks. I am losing my fear of making mistakes.

I know this!

Date completed: _____

I know, understand and can apply **four basic steps** when drawing from observation: **1.** Study & Plan, **2.** Sketch it out, **3.** Check Measurements, **4.** Apply details and/or shading.

I've done this!

Date completed: _____

I have built my **confidence** when drawing more difficult objects from direct observation by trying hard even when I feel like giving up.

I can do this!

Date completed: _____

I have developed my **ability to shade** objects from observation to understand how the light in the room affects their shape.

I've done this!

Date completed: _____

Key words; Measure, drawing process, four basic steps, confidence, ability to shade
