

Paint the Dolphin using only Blue, black and white paint so it looks like the diagram

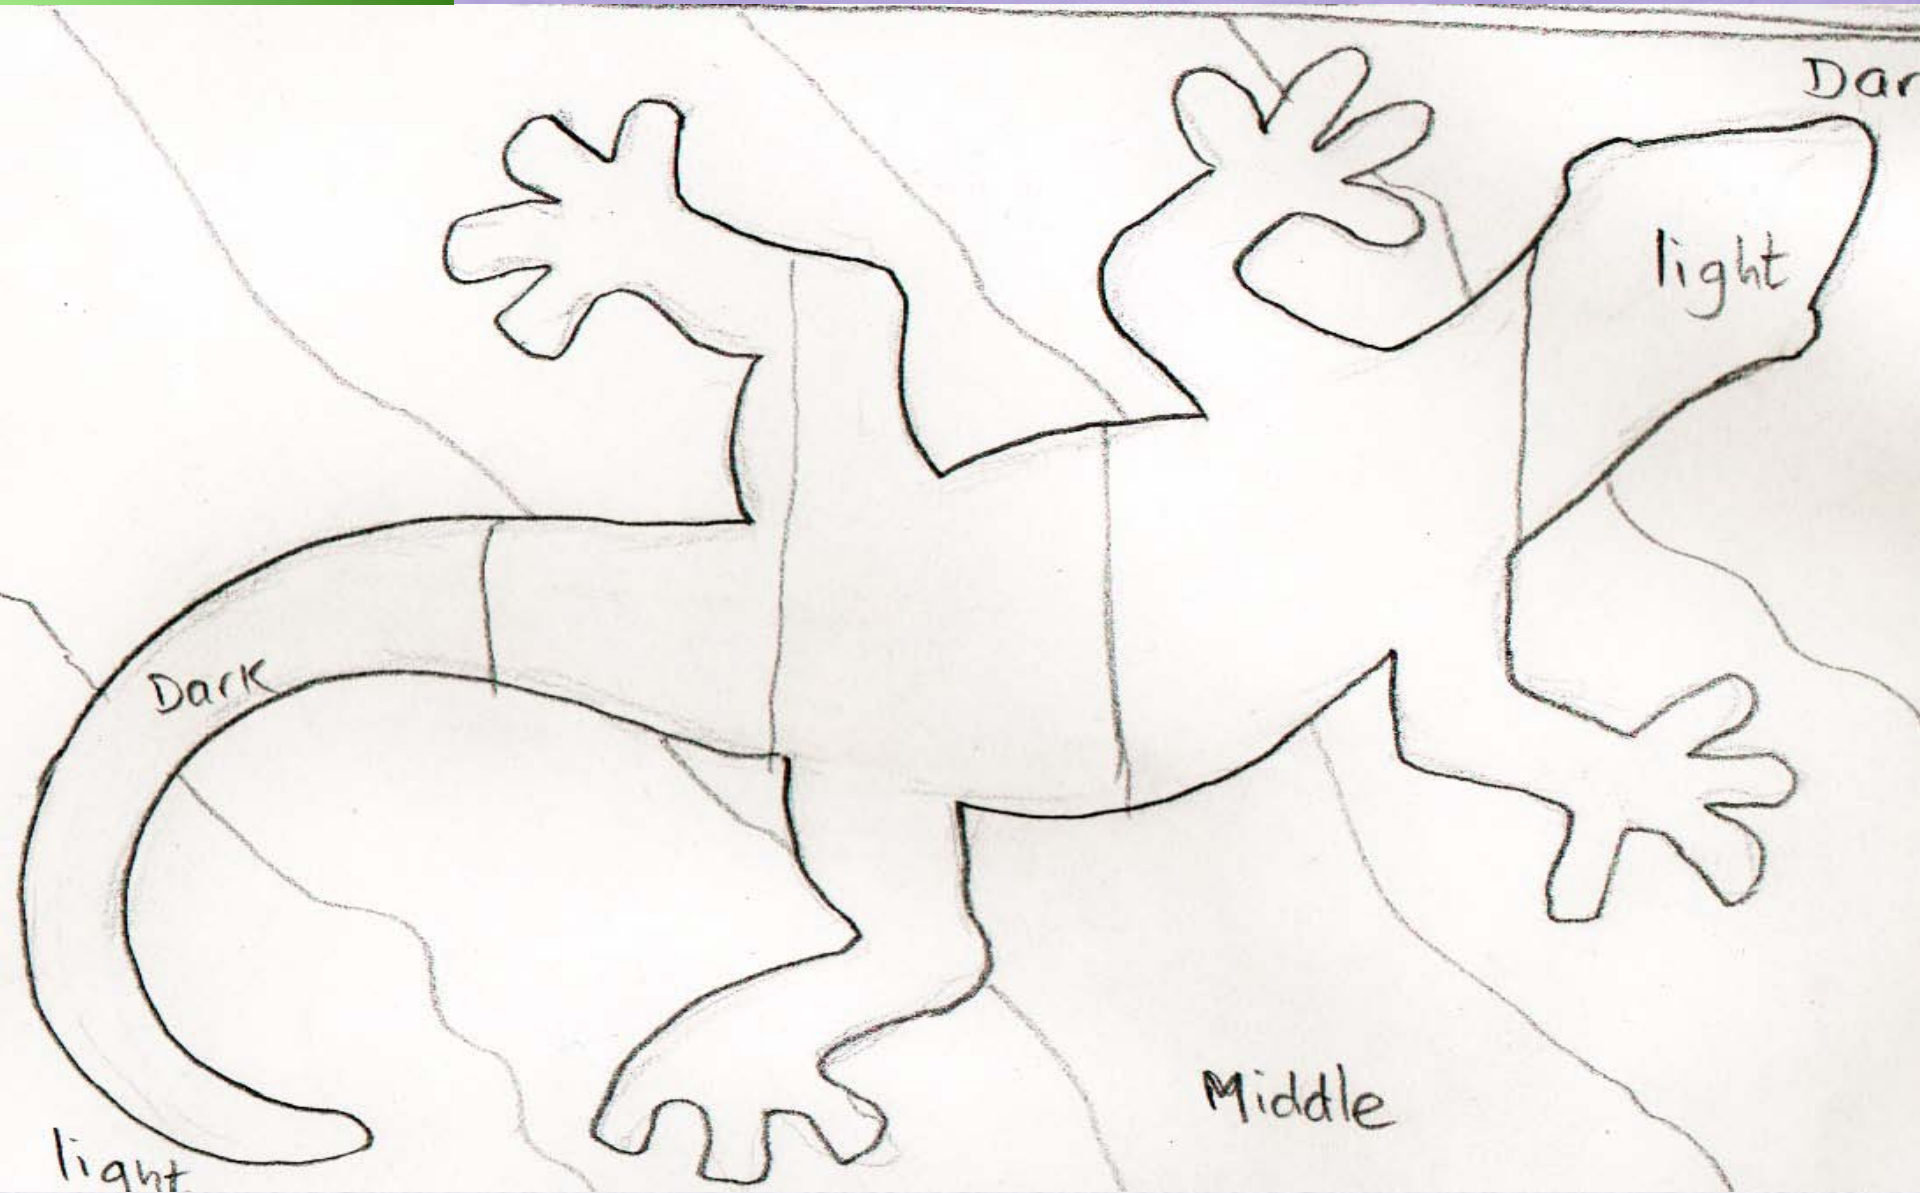

Paint the Butterfly using only Red, black and white paint so it looks like the diagram

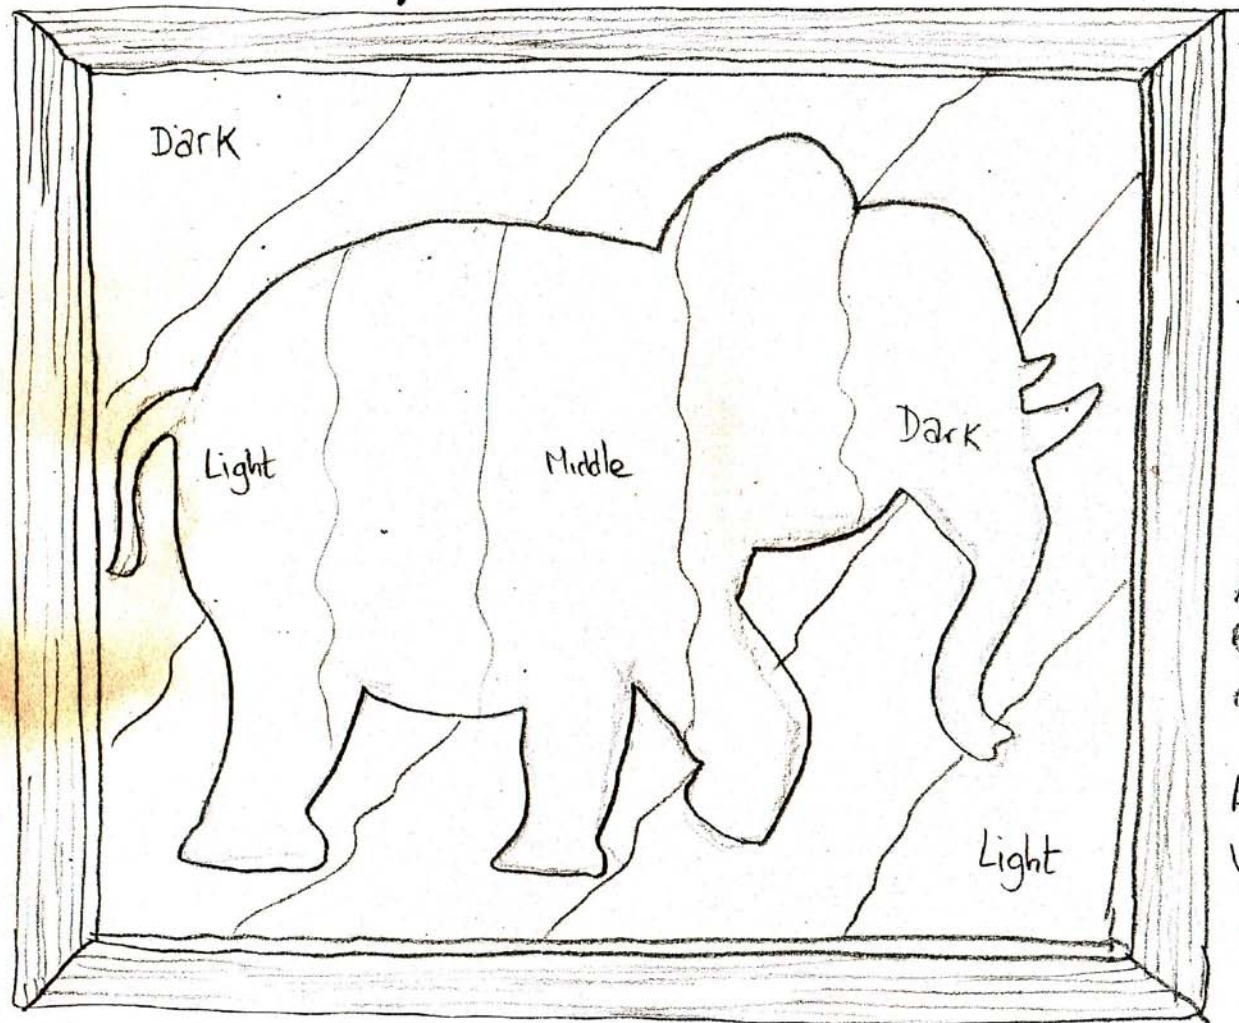

Paint the Lizard using only green, black and white paint so it looks like the diagram

Complete one of the other animal sheets

Tints, + Shades

Choose any
Primary or
Secondary colour

Then mix dark
+ light tones to
complete the
picture

Adding Blue or
Black darkens
a Colour

Adding Yellow or
White lightens
a Colour.
